

# Memory Jogger

## A great tool to identify an avalanche of Affiliates for your Genewize Business!

You know a lot of people.

Below is a useful “Memory Jogger List” to help you recall some names of people that you come into contact with on a regular basis. This list will be an invaluable resource for you because people do business with those people who they “know, like and trust”.

You will find that many of these people are looking for ways to look good, feel great and make extra money. You have the perfect solution to offer them with Genewize!

### INSTRUCTIONS

1. Create a list of 100 names using the “Jogger” below.
2. Rate the list from 1 to 3 according to highest potential for success.
3. From this list, identify the top 20 and transfer them to the Contact List on the right.
4. Now identify the top 10 and transfer them to the Priority List on the right.
5. Review your list with your sponsor and strategize your approach.
6. Call your Top Ten and schedule a 3-way call with your sponsor.
